Public Participation in Board Meetings

During each school board meeting, the agenda has been set to include an item titled "public comment." It is during this portion of the agenda the public can comment on any item that is or is not on the agenda.

Because of the nature of the Board's work, it is typical that the Board will hear from a patron. Public participation is a time for the Board to listen, not a time for discussion or responding to questions, as the Board needs adequate time to process the information received to ensure proper steps are taken going forward. The Board may direct questions to district administrative staff to respond to after the meeting. If input is given related to an action item later in the agenda, the Board will use the input during their discussion or deliberation of that specific item.

The Board cannot hear complaints about specific school personnel during an open meeting. If a patron has a specific complaint against district personnel, the board chair or the superintendent can direct the patron to the appropriate complaint process governed by board policy.

If you wish to address the Board, please fill out the request for public comment form available outside the board room. If the meeting has started and you decide you would like to provide public comment, please alert the administrator who was the greeter or the board secretary with your request by simply handing them the public participation form. This will be directed to the board chair.

Thank you for taking an interest in student education.

All public meetings, assemblies and celebrations held by the Dallas School District 2 are required to be accessible to persons with disabilities under Title II of the Americans with Disabilities Act (ADA). Accommodations are available upon request to persons who require alternatively formatted materials or auxiliary aids to ensure effective communication and access to events. Please allow at least 10 business days to arrange for accommodations. All requests should be sent to:

11.0 Reports

11.1 Food Service Update (Board Goal 3)

Debbie MacLean shared the statement of activities for food service for year ending June 30, 2019. The amounts end up very similar to last year. The revenue received from student lunches has increased, however an increase per meal was imposed this school year. The projection is the fund will have a loss of \$20,000 which is an improvement from last year. The labor and food costs have gone down one percent from last year. The consortium is currently being re-bid due to a location change. The concern going into next year is the increased PERS cost that will hit the bottom line in labor costs. Debbie shared some further documents which reflects five years of data regarding food service. Debbie shared that bad debt can be taken to collections and she would like to have a recommendation to the Board in August. If the option is approved this will allow time to communicate the process to families by the beginning of the school year. The payment plan options would be designed so parents have every opportunity to not go to collections if they work with the district. Over \$10,000 in donations to food service has been received by the district to help cover costs.

11.2 Housing Needs Committee Update

Michael Blanchard shared an update on the Housing Needs Committee which has now wrapped up. It was determined, through the process, there will be no growth to the Urban Growth Boundary (UGB). The estimated increase is approximately 6,800 more people within the city limits. The draft document shared talks about the demographics of Dallas as well as recent construction activity. The pace of building is picking up and the trend has accelerated in the last 15 months. The City is recommending not to expand the UGB at this point. In the next few months the Board will need to talk about enrollment given this information.

11.3 Bond Time Line Update

Dr. Michelle Johnstone, Superintendent, provided information regarding the bond second issuance projects and estimated costs; as well as some Citizens Oversight Committee minutes. The bond is paid off in 2022, which will allow the district to go out for another one and start the process in 2021. The AWESOME grant will be available if voters approve the bond within a six-month window. It is not too soon to start educating the public and asking what they would like to see. Discussion was held regarding having information available at the district booth during Summerfest in July.

Board Chair, Matt Posey, read in a statement moving the Board into Executive Session.

Article 9 Grievance Procedure

DEFINITIONS

A. Grievance

A "grievance" is a contention or claim by a teacher, group, class of teachers, or the Council based upon an interpretation, application or alleged violation of this agreement, if the disagreement cannot first be resolved by discussion with the building administrator or designee.

Allegations of violations of written Board policies or written administrative rules may be grieved to the Board, at Level Three. The decision of the Board may not be appealed to arbitration or to the Employment Relations Board.

B. Grievant

A "grievant" is a teacher, group or class of teachers, or the Council who/which initiates a grievance. A "class" grievance may be filed only where the alleged violation affects a clearly defined class, i.e., all teachers in the District, all teachers in a school building, all teachers in a department and/or grade level. Two (2) or more teachers with like kind grievances may join together in filing a single grievance and, upon request of at least two (2) of these teachers, the Council may file a group grievance on behalf of said teachers.

Any individual teacher, group, or class of teachers affected by a grievance may choose to have it adjusted (including the dismissal thereof) without the intervention of the Council, if:

1. The adjustment is consistent with the terms of this agreement; and,
2. The Council designee has been given an opportunity to be present at the adjustment meeting and has been given the opportunity to state its views at each level of this procedure.

C. Party in Interest

"Party in Interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

- D. **Representative**
A "Representative" is an individual who may speak for and/or advise a party in interest.
- E. **Building Administrator or Designee**
The "Building Administrator or Designee" is the administrator who has direct responsibility over the assignment in which the grievant is engaged at the time the alleged violation occurred.
- F. **Persons Officially Involved**
"Persons Officially Involved" mean the parties of interest, and their representative(s). Parties in interest may have up to two (2) representatives. Additional representatives are allowed by written mutual agreement.
- G. **Day(s)**
The term "Day(s)" when used in this article, except when otherwise indicated, shall mean the regular working day of the District for licensed teaching staff. The term "Day(s)" during the summer shall mean regular working days on a full year calendar.

PURPOSE

The purpose of this grievance procedure is to secure, at the lowest possible level, solutions to the problems which may arise from time to time affecting teachers under this agreement.

GENERAL PROCEDURES

- A. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by written mutual agreement.
- B. All parties should attempt to complete the procedures by the end of the school year. The parties shall make good faith efforts to shorten the number of days provided at the various steps in order to finish by the end of the school year and avoid, if possible, carrying the process into the summer vacation period or the following school year.
- C. All parties of interest have a right to representative(s) of their own choosing at each level of these grievance procedures.
- D. There shall be no reprisal by the District or the Council exerted on any teacher or persons officially involved choosing to use these procedures for resolution of grievances.

- E. Failure at any level of this procedure by the grievant to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level. Failure at any level of this procedure to communicate the decision in writing on a grievance within the specified time limits shall be deemed a denial of the grievance at that level and permit the grievant to proceed to the next level.
- F. All documents, communications, and records of a grievance shall be filed in the school district office separately from the personnel files.
- G. In the course of investigating any grievance, representatives of either party shall conform to building policies relating to visiting or contacting schools, teachers, or pupils. Every reasonable effort shall be made by all parties of interest to avoid interruption of classroom and/or any other school-sponsored activities. Also, every reasonable effort shall be made to avoid the involvement of students in the grievance procedure.
- H. Each grievance shall have to be initiated within twenty (20) days after the occurrence of the cause for the complaint; however, if the grievant did not become aware of the occurrence until a later date, then he/she must initiate action within the twenty (20) days following his/her first knowledge of the cause. Any grievance not filed within this time line shall be deemed a voluntary waiver of rights by the grievant.
- I. Each party shall pay any and all cost incurred by said party.
- J. If the grievant chooses to pursue his/her claim on a single issue through the court system, the Employment Relations Board or other outside agency, the grievance procedure cannot be used and any decision rendered under this procedure will become null and void. Some parts of the grievance may remain appropriate under this article.
- K. The filing or pendency of any grievance under the provisions of this article shall in no way impede, delay, or interfere with the right of the building administrator or designee or the Board to take action being challenged; subject, however, to the final decision of the grievance.

LEVELS OF GRIEVANCE

The building administrator or designee shall arrange a meeting to include the grievant(s), the building administrator or designee, and representative(s) as required by either party within five (5) days of receipt of the complaint. This Level One meeting shall provide the opportunity for the grievant(s) to explain to the building administrator or designee the grievant(s) position and for the building administrator or designee to ask clarifying questions. The building administrator or designee shall report the decision to the grievant in writing within five (5) days after the Level One meeting.

B. Level Two

If the grievant is not satisfied with the written decision of the building administrator or designee at Level One, or if no decision has been rendered within five (5) days after the Level One meeting, the grievant may file the grievance as a Level Two grievance in writing with the superintendent, or designee, not a party to the grievance, no later than ten (10) days from the receipt of the Level One decision.

The superintendent, or designee, shall arrange a meeting to include the grievant(s), the supervisor, and representative(s) as required by either party within five (5) days of receipt Level Two grievance. This Level Two meeting shall provide the opportunity for the grievant(s) to explain to the superintendent, or designee, the grievant(s) position and for the superintendent, or designee, to ask clarifying questions.

C. Level Three

Teachers who do use their own vehicles to transport students shall be reimbursed at the current IRS business rate.

Article 19 Personal and Academic Freedom

- A. The personal life of a teacher shall not be a concern of the District unless the off-duty conduct causes a failure of the teacher to perform the job responsibilities or if the off-duty conduct clearly affects the employment relationship. Teachers shall adhere to the Standards for Competent and Ethical Performance of Oregon Educators as specified in Oregon Administrative Rules.
- B. The District shall not deny any teacher the right of free speech and the right of association as provided by the Constitution of the United States. Should there be an alleged violation of this section by an individual teacher, such teacher shall elect to pursue such a complaint by means of a grievance under the Grievance Procedure Article, or by means of some other legal forum outside of contract arbitration. If the contract grievance procedure is elected and a separate legal proceeding is then, or later, filed, all contract grievance procedure steps shall become inapplicable and any decision rendered at any and all steps (including arbitration) shall be deemed null and void and unenforceable.

- C. A teacher may request a review of his/her file with the superintendent to determine if questionable material should be removed from the file. Any material so removed or any reference to such material shall be destroyed. However, the decision to remove any material shall be at the discretion of the superintendent.

“All charges resulting in disciplinary action shall be considered a permanent part of a teacher's personnel file and shall not be removed for any reason. A teacher shall have the right to attach the teacher's response, or other relevant documents, to any document included under this subsection.” ORS 342.850(7)

- D. No evaluation, disciplinary action (i.e., warning, reprimand, or suspension), or parental comment(s) shall be placed in a teacher's personnel file unless it bears the signature of the teacher. The signature does not indicate agreement with the contents, it merely acknowledges having seen the information. Refusal to sign in no way alters the District's right to place material in the teacher's file. A copy shall be provided within five (5) working days of its preparation.
- E. Material or evidence not previously recorded in the teachers' personnel file and/or not made available to the teacher shall not be used by the District when considering demotion, discipline, or other involuntary change in employment status.
- F. Access to a teacher's personnel file shall be restricted in accordance with Board policy.

|-----------------|-------------------------------|-------------------------------|-------------------------------|-------------------------------|
| \$35,000 | \$20,000 | \$5,000 | \$5,000 | \$5,000 |

Use of this money is on a first-come, first-served prorated quarterly basis annually, based on the date of application. Funds not expended in any one quarter shall carry over into the following quarter. Reimbursement shall be made when the evidence of successful completion of an approved course or conference attendance is submitted to the district office. At the teacher's request, the District shall provide up to three (3) hours of tuition and/or conference registration reimbursement on an annual basis using current graduate hourly rates charged by Western Oregon University.

Additionally, when Collaboration Grant funds are no longer available, individuals or teams may apply for funding up to \$1000 to cover a variety of costs including substitutes, materials, and stipend incentives for creating and leading the professional learning. The purpose of these funds is to encourage and support creative, in-district, teacher-led professional learning in professional practice, professional responsibilities, and student learning.

- C. All courses or conference registrations that are to be considered for reimbursement shall be submitted for approval on the proper form prior to enrollment in the course or attendance at the conference and must be approved by the building administrator or designee and the superintendent for reimbursement.

- E. All requests for course reimbursements must be made no later than thirty (30) days after receipt of the evidence of successful course completion or by June 1st, which ever date is earliest.
- F. If it is projected that at the end of the 4th quarter there will be additional funds, the remaining dollars will be evenly disbursed among any teachers who have submitted an additional request for reimbursement up to an additional three (3) hours of tuition as defined in B. The additional request and the appropriate documentation of course completion must be submitted by June 1.

Article 22 Reduction in Force: Layoff/Recall

- A. The procedure for reduction in force resulting from the District's lack of funds to continue its educational program at its anticipated level or resulting from the district's elimination or adjustment of classes due to administrative decision shall be as provided in this section. However, nothing in this section is intended to interfere with the right of a fair dismissal district to discharge, remove or fail to renew the contract of a probationary teacher pursuant to ORS 342.835.

- B. When the District determines a reduction in force is necessary, the Board shall notify the Council. Such notice will include the reasons for the proposed action and the school year or portion of school year to be effected by the reduction in force. The superintendent, or designee, will notify affected teacher as soon as practical, but in no case less than twenty (20) working days prior to the layoff date. The District shall accept suggestions from the Council concerning matters related to recommended reduction in force. Affected teachers maintain rights to waive all or a portion of the twenty (20) day notification.

- C. The District shall make every reasonable effort to:
 - 1. Transfer teachers of courses scheduled for discontinuation to other teaching positions for which they are qualified. Teachers transferred under this section have the right to their same or similar position for a period of three years beginning with the first working date of their new assignment. Teachers wishing to return to their same or similar position must notify the District Office annually on or before March 15.

 - 2. Combine teaching positions in a manner which allows teachers to remain qualified, so long as the combined positions meet the curriculum needs of the district and competence as defined in this article.

- D. In determining teachers to be retained when a district reduces its staff under this section, the district shall:
 - 1. Determine seniority of teachers to be retained, calculated from the first day of actual service as teachers with the school district inclusive of approved leaves of absence.

 - 2. Determine whether teachers to be retained hold proper licenses at the time of layoff to fill the remaining positions.

 - 3. Further transfer teachers and combine positions according to section C of this article.

 - 4. Layoff teachers according to seniority.

5. Ties shall be broken by drawing lots.
 6. In the event the district desires to retain a teacher with less seniority than a teacher being released under this section, the district shall determine that the teacher being retained has more competence than the teacher with more seniority that is being released.
 7. As used in this article, "competence" means the ability to teach a subject or grade level based on recent teaching experience related to that subject or grade level within the last five years, or educational attainments, or both, but not based solely on being licensed to teach. Grade levels shall be defined as any grades K-6, 4-8 and/or 7-12. The district may consider a teacher's willingness to undergo additional training or pursue additional education in deciding upon questions of competence.
- E. Teachers laid off under the terms of this article, will have right to recall for twenty-seven (27) months following the employee's layoff date.
1. At the time of layoff, the District shall provide for laid off teachers to express in writing a desire to return to employment with the District. The District shall receive from the teacher and retain on record the teacher's address, phone number, and email address for recall notification. The teacher shall be responsible for notifying the District of any changes while on recall.
 2. The District retains the right to determine positions for recall. The recall of laid off teachers shall be in reverse order of seniority, subject to licensure, regardless of date of layoff. If there is more than one (1) teacher on the recall list with the same seniority and licensure required for a position, the tie will be broken by drawing lots.
 3. In a recall, the District shall notify the teacher desiring to return by certified mail, return receipt, sent to the teacher's last address on record. The teacher shall have ten (10) calendar days from the date of mailing to notify the District of intent to return. If the District is able to contact the teacher by phone or email, notification may take place through one or both of those processes.
 - i. If the teacher accepts the position, the District shall provide fourteen (14) calendar days before the teacher must report for duty. The teacher and District may mutually agree on a shorter time period. Notwithstanding other provisions of this Article, teachers who accept employment with another school district shall be granted the amount of time necessary, but not to exceed sixty (60) calendar days, to be released from that employment before beginning the recall position.

- ii. If a teacher refuses the recall position, the teacher shall retain their position on the recall list for the remainder of the twenty-seven (27) months.
- 4. If the teacher accepts a position of lesser FTE, the District shall offer additional FTE to this teacher as it becomes available prior to recalling another teacher.
- 5. No new teacher shall be hired until each teacher on the recall list deemed qualified by the District has had an opportunity to accept or refuse the position.
- 6. All benefits to which other teachers are entitled at the time the teacher is recalled shall be provided to the teacher upon the teacher's return to active employment. The recalled teacher's unused accumulated sick leave shall be restored and said teacher shall be placed on the proper step of the salary schedule for the teacher's current position according to the teacher's experience and education. A teacher shall not receive increment credit for the time spent on layoff nor shall such time count toward the fulfillment of time requirements for acquiring permanent status. However, a probationary teacher who is recalled shall have years taught for the district counted as if the employment had been continuous for purposes of obtaining contract teacher status. Teacher benefits do not accrue during the time of layoff.
- 7. Insurance benefits shall be governed by the Compensation: Fringe Benefits Article. Teachers covered by this Article shall have the option to continue insurance programs at their own expense, subject to the approval of the insurance carrier.
- 8. When practical, all teachers subject to recall will be given consideration for substitution. Such will not affect the employee's recall rights.
- F. As used in this article, "qualified" means the measurement of the teacher's ability to teach particular grade levels or subject matter based on licensure and current federal or state regulations.
- G. When a decision for layoff and/or recall must be determined by drawing lots, drawing will be conducted as follows:
 - 1. One District administrator and one Dallas Education Association officer will be present at all drawings.
 - 2. The affected employees may choose whether or not they would like to be present at the drawing.

Dallas School District 2

Code: JECB
 Adopted: 9/09/02
 Readopted: 1/22/07; 6/23/14; 10/11/16;

Admittance of Nonresident Students

The district may enroll nonresident students as follows:

1. By written consent of the affected school boards. The student becomes a "resident pupil" of the attending district thereby allowing the attending district to receive State School Fund moneys (Interdistrict Transfer);
- ~~2. By written consent from the school board with which the student has made application for admission. The student becomes a "resident pupil" of the attending district thereby allowing the attending district to receive State School Fund moneys (Open Enrollment);~~
2. By unilaterally admitting with tuition a nonresident student whereby neither district is eligible for State School Fund moneys (Tuition);
3. If a juvenile court determines it is in the student's best interest, a student placed in a substitute care program outside the district will continue to be considered a resident student and allowed to attend the school the student attended prior to placement. The public agency placing the student in a substitute care program will be responsible for the transportation of the student, if public agency funds are available.

The Board shall deny regular school admission to nonresident students who are under expulsion from another district for a weapons policy violation. The Board shall deny admission to nonresident students who are under expulsion from another district for reasons other than a weapons policy violation.

The district is not required to provide transportation outside the boundaries of the district. The student will be allowed to use existing bus routes and transportation services of the district. Transportation will be provided if required by federal law.

The superintendent will develop procedures for the implementation of this policy.

Interdistrict Transfer (Requires consent of both school boards)

Annually, ~~by March 1,~~[†] the Board shall establish the number of student transfer requests into the district, and out of the district, to which consent will be given for the upcoming school year. The Board may choose to allow all transfers into and out of the district.

The Board reserves the right to accept/reject nonresident students based upon the availability of space, resources, personnel and appropriate programs. The Board may not consider nor ask for any information from the student about race, religion, sex, sexual orientation, ethnicity, national origins, disability, health,

[†]The district must annually make this determination by a date set by the Board. ~~Insert the date set by the Board.~~

whether a student has an individual education program (IEP) or the terms of that IEP, identified as talented and gifted, income level, residence, proficiency in English, athletic ability or academic records. The Board may not request or require the student to participate in an interview, tour any of the schools or facilities, or otherwise meet with any representatives of the school or district prior to the district deciding whether to give consent.

The Board may ask for the student's name, contact information, date of birth, grade level, whether the student may be given priority on consent for admission (e.g., sibling in the district; change in legal residence; completion of public charter school in the district), information about which schools the student prefers to attend and whether the student is currently expelled.

If the number of students seeking consent exceeds the number of spaces, the Board will use an equitable lottery selection process. The process may give priority to students who have siblings currently enrolled in the district.

The Board may revise the maximum number of students to whom consent will be given at a time other than the annual date established by the Board if there are no pending applications for consent.

If the Board decides not to give consent to a student the Board must provide a written explanation to the student.

The district may require minimum standards of behavior and/or attendance once the student has been accepted. The minimum standards must be the same for all students that are given consent. The district is not allowed to establish minimum standards for academics as a criteria for the student to remain in the district. Students whose consent is revoked for violation of set attendance and/or behavior standards will not be allowed to apply for consent to return to this district in the same or the following school year.

The Board may determine the length of time the consent is given. Any limitations in length of time must be applied consistently among all students to whom consent is given.

Open Enrollment

1. ~~Annually, by March 1, the Board shall establish the number of students to whom consent will be given for the upcoming school year. The Board may choose to limit consent based on school, grade or the combination of both. The Board may decide not to give consent to any person under this process.~~
2. ~~Applications for consent shall be submitted to the district no later than April 1, for the following school year.~~
3. ~~The Board may not deny consent, give priority nor request student information related to race, religion, sex, sexual orientation, ethnicity, national origin, disability, health, whether a student has an IEP or the terms of that IEP, income level, residence, proficiency in the English language, athletic ability, academic records or eligibility or participation in talented and gifted programs.~~
4. ~~If the number of students seeking consent exceeds the number of students the Board has determined will be given consent, consent will be based on an equitable lottery selection process.~~

5. ~~The district is not required to provide transportation outside the boundaries of the district. The student will be allowed to use existing bus routes and transportation services of the district. Transportation will be provided if required by federal law.~~
6. ~~By May 1, the district shall provide written notification of admission of a nonresident student into the district, to the district of the student's legal residence.~~

Tuition

Annually the business office will establish a tuition rate. Each admitted tuition paying student will be charged the same amount of tuition.
