"Live" Online CDL: Live, online zoom session with your teacher and class.

Applied Learning: Students work on assignments and tasks independently and on their own schedules.

FLEX: Opportunities for on-demand and scheduled support from school staff will be available.

NEWS: Nutrition, Emotional Wellness, Social Connection. A non-graded time built into the schedule as recommended by ODE for students to connect with peers, rest, exercise, participate in support groups, facilitate time management, eat, etc. In addition to the time slot Wednesday afternoons, one of your 4 periods will also be used for NEWS. Whichever period you have NEWS scheduled, you will NOT have a live session or required assignments.
