

Dallas School District

Strategic Planning Survey

Dallas School District is seeking to gather information from parents, students, businesses, community partners and the general public to help inform the direction the district will move toward over the next three years.

Your input is very much needed AND appreciated? Your survey answers will be completely anonymous. The survey should take only five minutes to complete.

Thanks to a generous donation from a local community partner, we are incentivizing participation by offering gift cards to local businesses to randomly selected survey participants. More information on how to enter your name into the drawing will be provided at the end of the survey.

A report summarizing the responses from the questions will be submitted to the Dallas School District Board of Directors and Strategic Planning Team and shared with the public via the Dallas School District website. The survey is part of our comprehensive effort to improve the district's public schools through the development and implementation of a multi-year strategic plan.

Use the QR code above or this link to access the survey:
